COMDANCE 90th Anniversary

Congratulations to COMDANCE on its 90th anniversary. It is a significant milestone and a wonderful achievement.

For almost a century, COMDANCE has provided a platform for aspiring and talented young dancers in Australia and around the world and brought immense joy to all who participate.

Today, COMDANCE reaches more than 100,00 students and teachers.

That COMDANCE continues to endure is a testament to its people — dancers, teachers, members and partners.

One of the many highlights of the year's celebrations will be the Asia-Pacific Dance Competition in Kuala Lumpur in August. What a thrill to have acclaimed Artistic Director Li Cunxin on hand to conduct masterclasses for the participants. His example, knowledge and achievements will be an inspiration for you all.

Linda and I wish all involved in COMDANCE a happy 90th anniversary.

Enjoy the celebrations!
